TULLA GRAVEYARD

(Compiled by R. Harte)

There are a number of square pillars as tomb stones, some surmounted by a Cross, some tapering, some flat.

No. 1:- Under a stone canopy is a white marble Cross with the Virgin being raised by two Angels on it.

Graveyard well kept but some stones have been too well cleaned reducing the surface so that the letters have been worn away and with further weathering all in danger of being lost.
