C. J. France, Esq.,  
Director of American Committee for Relief in Ireland,  
Dublin.

Sir:

I received your letter in due time, and I hope you will  
excuse my delay in sending on full details of burning etc.

Unfortunately I hadn't a photo taken of the burned premises,  
but I got it taken in the present repairing condition. It will  
give a good idea of what it was like. I will let you have full  
account in a few days, also photos, as the latter are not yet fully  
completed.

I remain,

Sincerely Yours,

(Mrs.) Michael Howard,
