EXTRA SPECIAL.

- 1. Wm. Dwyer, Kielroe, Eyeries, Castletownbere.
- 2. Complete destruction of house, one outhouse, nest furniture and entire effects.
- 3. Claim not yet lodged, about to lodge one.
- 4. For purpose of re-roofing house. Very Urgent.
- 5. Eight boys and three girls.

This is an extremely hard case. Father and Mother buried a very short time previously, small poor farmers - on side of mountain. All (eleven) sheltered at present under temporary rush roof in a most wretchedly small one apartment cabin, and in great need. Immediate relief very necessary.

About £200. would at lest make situation humane.

I recommend strongly special attention to this case.

MOST URGENT OF ALL.
